Description :

Dolma Awaken is a 2D horror adventure platformer in a Metroidvania style. Players follow Dolma, a young girl forced into a forbidden well as part of a cruel trial, where she must survive by learning to understand and manipulate jinns through a cursed mask. The game emphasizes exploration, psychological tension, and the use of jinn aid to overcome an ever-shifting underground world.

Core Gameplay:

- Explore the well
- Encounter jinns and environmental threats
- Use the mask to understand or bind jinns
- Gain abilities or assistance
- Unlock new paths and deeper areas
